Our House Structure

by Brendan Gorman

It has been such a joy amongst the staff to see the roll out of our House Structure this year. The way our Year 6 Leaders are focused on caring for the students in their houses, as they develop their own leadership skills, is terrific. Our House Structure is far more than war cries at sporting carnivals. It is a structure where smaller groups of students are cared for, and are known by different staff and student leaders. It provides opportunities for regular fortnightly contact and a point of confidence for students to be open and honest.

Our House Structure is developing well and I must commend our Section Director’s, Mrs McDonnell (Junior Primary) and Mrs Stelzer (Primary), for their oversight, leadership and passion for student wellbeing.

Our OSHC Centre

The school has received confirmation this week that we are now licensed to accommodate 120 children each day in our OSHC Centre. Parents who have been on waiting lists have been advised. If you are in need of before or after school care, please contact our friendly OSHC Staff, or make contact through the School Office. We are pleased to be able to support this growing need for parents in our community.

Primary Years Programme (PYP)

Following on from our Vision for Learning Sessions where it was shared that the school was considering the introduction of the Primary Years Programme (PYP) of the International Baccalaureate (IB), an overview of the perceived benefits of the programme and a response to the frequently asked questions, will be distributed to all families prior to the end of Term 2. Following this, Mr Gorman and Mrs Richardson will be very happy to meet with any parents who would like further clarification on the programme. Please look out for this information.

Pink & White Mufti Day

Well done to the entire school community for your generosity and support of this special mufti day. $1100 was raised for the Leukemia Foundation and a wonderful $5000 was raised for Angelina and her family. Our community has come out in force and I know Angelina’s family will be incredibly grateful for this level of support.

Thank you to the Pickles family

The middle garden in our Carpark is looking wonderful after a significant effort by the Pickles family over the long weekend. Thank you for your donation of plants, your willingness to prepare and plant them and your desire for our school to look wonderful.

Holiday Care

Our programme for holiday care has been emailed to all families. Please consider requirements early as places are strictly limited and will be filled on a first in, first served basis. Please note that enrolments will only be confirmed if you are successfully registered in Hubworks, our online payment system. Please also note that there is no holiday care available on Friday, 22 July due to whole staff training.

New Student

We would like to welcome the following new student to our school:

Anthony P. (Prep)
**Prep Police Visit**
Prep had a visit from the police as part of their unit, Our Community. Students were very interested to discover that the police do more than ‘chase bad guys and put them in jail.’ The police help keep us safe. Prep learnt about the different roles the police have in our community and how they can assist when there is an emergency. Students practiced dialing ‘000’ and were able to explore the inside of a real police car! The rest of the school jumped as the siren sounded and the police said goodbye.

**Information Technology**
by Jane Flack
Do you know of any businesses who would like to sponsor our school robotics club? As coding skills are proving to be essential for our students and their future job prospects, we would like to grow our current program and purchase more robots (approximately $650 each), and work towards competitions in 2017. Please contact Miss Flack (Technology Skills Teacher) through the School Office for more information about this exciting opportunity.

**SIDS and Kids Fundraiser**
On Friday, 24 June, Argyle House will be holding their fundraising campaign as they support SIDS and Kids. Children can purchase a red nose at the tunnel gate from 8.00 am at a cost of $2.00.

**House BBQ**
Argyle has been undertaking school service this term. This service concludes at the end of Term 2. Children in Argyle will enjoy a celebration BBQ lunch on the last day of term Friday, 1 July. Students are to bring their own recess as normal.

**Public Speaking Evening**
On Thursday, 30 June we will be holding our annual Public Speaking Evening. This event will take play in the School Hall, commencing at 7.00 pm, with a light supper provided. All members of the school community are invited to attend and hear the talented Year 4-6 speakers. They have been working hard this term in a series of workshops to prepare a 3 minute speech based on the topic: Now that I have your attention...

This year there is an additional improvised speech section. This is an exciting chance for students to share their thoughts about a topic without any preparation!

Congratulations and all the best to these finalists who will be competing:

**AFL Paul Kelly Cup**
On Thursday, 2 June the Girls Paul Kelly Cup team travelled to Blacktown Sports Park, Rooty Hill to compete in the Regional finals. They had three close fought round games, losing by less than a goal in two and 7 points in the third. I was extremely proud of how the girls played, showing great determination and commitment along with being good sports. Sasha G. raced in a zoom sprint as the fastest representative from our team against the fastest from 15 other teams. Reijeli R. was announced as the St Peter’s player of the day.
A great effort by all.

**Next week:**
Next week SPAPS play against Macarthur Anglican School. Junior games commence at 11.35 am and Senior games at 1.00 pm, with games taking place at Bradbury Park for AFL, Hurley Park for Soccer while Volleyball, Newcombeball and Netball will be at St Peter’s.

**Healthy Habit**
Enjoy a wide variety of nutritious food from these five food groups every day; vegetables of different colours, fruit, grain foods, lean meats, milk, yoghurt and drink plenty of water. The more we encourage our kids to enjoy a wide variety of food, the more chance they have of making healthier choices.

**Interschool Snowsports**
Entries for the Interschool Snowsports Competition, held at Thredbo during the first week of the school holidays, close shortly. If you are interested in your child competing in this competition please contact me as soon as possible so entry can be arranged.
Golf for Girls
During the Term 2 break, on July 4 and 7, Lakeside Golf Club, Camden will be holding an introduction to golf for girls aged 7-14 years. Girls can attend one or both sessions. The day begins at 9.30 am with registration and finishes with a presentation at 1.15pm. The cost of the day is $15.00 and includes fruit, lunch and prizes.
For further information please go to: www.lakesideladies.org. There is also a flyer on the notice board with more information.

The School Prayer
Jesus, our Master and our Friend. You came to show us the truth and to teach us the way of life; Send your blessing on our School. Guide by your Spirit, the children and their parents, the teachers and staff, and the Schools’ Council. As we work together with one another and with you, may St Peter’s Anglican Primary School be a place where children learn and where all discover the true meaning of ‘Life through Christ’.
Amen

Prayer Points
1. Give thanks for the enormous effort of our school community who made a substantial difference on Friday through fundraising, awareness and support.
2. Give thanks for the work of our Year 3 team, for their passion, innovation and care for each student they teach.
3. Pray for the staff at Campbelltown Anglican Schools’ Council, who accurately and carefully manage the financial operations of the school.

Church at Ten is held in the School Hall on Sunday mornings at 10.00 am.

Please call the Church Office on 4625 1041 or email office@campbelltownanglican.org.
Thank you from the African Aids Foundation

Dear Brendan,

I am writing to thank you and the school community for the wonderful gift of $10,000.

We have spent time communicating with Bongi and out people at Philakale who are involved with choosing and mentoring the life skills facilitators who are so important to uplifting the children Intumbane School.

I has been possible to provide someone to help in the Library which was provided by St Peter’s.

This person is a young Zulu woman who has been through the life skills programme and can spend time in the Library while also working with the young girls at the school. Many of these girls are orphaned and /or have been abused and have many needs.

Some of the funds are to be used to train the life skills facilitators and these are young people who have come out of the community and have been helped themselves, and are very anxious to get the skills needed to help others. They are bright and enthusiastic and this programme will be a type of internship where they will be given a small amount of money to enable them to participate.

Money will also be provided for a weekend camp for 30 children from Intumbane School. This camp will be an opportunity for the children to learn about God.

There will also be a life skills workshop for another 50 children from Intumbane to train them in the hope of instilling values for behavioural change and to accept their unique qualities and opportunities.

We look forward to receiving some reports and photos of these activities.

This gift was a huge encouragement to us and we are very grateful to you.

Yours Sincerely
