The PYP and Learning at St Peter’s

by Brendan Gorman

There are three things that are essential for me as the Head of School when it comes to what happens here at St Peter’s. Our school must focus on learning, on students and on Jesus. Historically, we have achieved much in all of these areas and we look forward to promoting ongoing improvements in all of these areas.

As we work with the Ministry Staff at Campbelltown Anglican Churches with our chapel programmes, we consider the best links with our Scripture/Christian Living Programmes and constantly ask how this impacts on other areas of study. For us at St Peter’s, the Bible must be considered in all that we do.

This also links closely with the importance of relationship when it comes to our focus on children. Our students are known, are cared for and are challenged to be the best that they can be. I am delighted most when I see a student improve, gain confidence and achieve something they previously haven’t been able to achieve.

Our focus on Jesus and our focus on students has promoted us to consider not only what we learn, but how we learn it.

Throughout last term, the school has outlined in various means, it’s consideration of the implementation of the International Baccalaureate, Primary Years Programme (PYP). We have had many conversations with parents about this possibility, seeking to clarify questions and concerns about this possibility. We have also shared with many parents who have expressed excitement about the potential implementation of this framework for learning.

Last week, the Schools’ Council unanimously endorsed moving forward with the implementation of the PYP. This paves the way for the school to make an application for candidacy with the International Baccalaureate. We anticipate this occurring in the coming months and our acceptance being confirmed later this year.

I wish to express my thankfulness for the way those parents seeking clarification and assurances have positively engaged with the school on this matter. As this determination has now been made, we look forward to continuing to provide information for parents and carers about the gradual and considered implementation of the framework. We have much to be excited about when a school is focused on Jesus, on students and on learning.

Mrs Michelle McDonnell, Director of Junior Primary, will be on Long Service Leave next week. Mrs Deborah Nash will be acting Director of Junior Primary during this time.

Miss Bongi

Due to unforeseen circumstances, Miss Bongi will now be visiting from September 5 to 10. More details will be provided soon.

**Parent Code of Conduct**

Last term, I mentioned that the school was implementing the introduction of a parent code of conduct. Whilst the issues identified in the code have been an issue for only a small number of our parents, it is important that all parents are aware of the expectations outlined. This code of conduct is in draft form and any feedback will be gratefully received over the next two weeks. At this point, the code will become an expectation of all parents at St Peter’s. If you have any concerns in relation to this code of conduct, I ask that you contact me through the School Office. The Draft Code of Conduct is attached.

**Leukemia Foundations**

The Leukemia Foundation has extended their sincere thanks for the generous donation from St Peter’s Anglican Primary School community following our Pink and White Day held in Term 2.

The contribution supports the Leukemia Foundations ‘Vision to Cure, Mission to Care’.

**Intumbane Slipper Day**

On Monday, 8 August, we will be holding our annual Intumbane Slipper Day. Children are encouraged to bring a gold coin and any loose change, to place it in their House bucket upon arrival at school. All children are encouraged to bring a pair of slippers this day. Students should wear their school shoes to and from school and will change into their slippers once they enter the classroom. School shoes will also be worn in the playground at recess and lunch.

The money raised from this event will be donated to Intumbane Primary School.

**School Opal Cards**

For students who are now using the School Opal Cards to travel to and from school on public transport: the school has been asked to pass on a reminder that all students need to tap on and tap off for every trip.

Opal data gathered by tapping on and off is used to determine demand for bus services. If students do not tap on and tap off, services may be cancelled due to the lack of recorded patronage. Tapping on and off with the opal card is one of the conditions of use and doing so ensures that the appropriate level of services is maintained.

**ICAS English**

St Peter’s Years 3 - 6 students who have elected to participate in the ICAS English paper will be undertaking this exam on Monday, 1 August instead of Tuesday, 2 August. This alteration has occurred due to the number of students attending the IPSHA Performing Arts Festival Combined Music Rehearsal to be held at Abbotsleigh on Tuesday.

Thank you for your understanding.

**SIDS and Kids Fundraising results**

At the end of last term, Argyle House organised a fundraising day for SIDS and KIDS. This event raised an amazing $830.80 for this worthy cause. Thank you to all who participated and purchased a Red Nose.
Year 3 BFG Day

Year 3 had an excellent Roald Dahl Day at the end of Term 2. They started the day with a parade to display their amazing Roald Dahl costumes. Students (and, of course, their amazing parents) are to be congratulated on their fantastic effort. Throughout the day the students did some craft related to the Roald Dahl novel they had been studying, and participated in a frantic search for golden tickets to the feature presentation - The BFG! Seven lucky winners enjoyed some extra comfort during the viewing. The students should be very proud of their behaviour on the day—what a great way to end the term!

Chinese Language Tutoring - Expressions of Interest

We are currently seeking expressions of interest from families who may be interested in their child attending a user paid Chinese Co-curricular Programme. If your child is interested, could you please advise the School Office via email on: administration@stpeters.nsw.edu.au by Friday, 12 August.

Learning Enhancement

by Heather Gillespie

“Reading is to the mind what exercise is to the body.”

Joseph Addison

We would love for you to come and be part of our reading workouts each afternoon in the staffroom!

Reading is such a vital part of life. For many students who struggle with learning to read the chance to have some extra practice is very important.

We currently have a great team of people who are helping students develop their reading skills and strategies on a variety of programmes that are run each afternoon. We are now looking for parents, grandparents and carers to work with us on these reading programs. It would be great to have some more helpers who can assist students to practice these valuable skills. All helpers will need to have a current Working with Children Check. The programs run each afternoon, Monday to Friday, in the staffroom. The programs aim to support students in their reading and comprehension skills.

If you are free one or more afternoons per week after lunch and are interested in helping out on the Learning Enhancement reading programmes please contact Mrs. Heather Gillespie through the School Office on 4627 2990 or by email: administration@stpeters.nsw.edu.au and we can arrange a training session and a trial. If you are not sure what is involved and would like to come and observe or ask questions, you can also contact me. The days are flexible so please let me know if you would like to help out on these valuable programmes.

We look forward to seeing you at our next reading workout!

OSHC Grant

We are incredibly grateful for the NSW Government Grant through the AIS, in which St Peter’s will receive $30,000 due to our increase in numbers. These funds will be used for site modification and additional equipment.

Book Week Parade

As a celebration of reading, we will be holding a Book Week parade on Thursday, 25 August at 9.15 am on the soccer field (green area) of the Prep playground. This year’s Theme: Australia: Story Country.

Students (Prep – Year 6) are encouraged to dress up as a biblical or book character. We ask that you put your creative hats on and see what you can come up with from the resources you have at home. If your child has the book at home associated with their character, then they might like to bring it along for the parade.

Year 6 will be holding a Café after the parade to raise funds for the Year 6 farewell, so feel free to stay and have a chat and cuppa. There will be some yummy slices and cakes to eat as well as tea or coffee.

Parents, grandparents and carers are most welcome to watch the parade. Limited seating will be provided on the School Hall Verandah and the undercover walk-way. You are most welcome to stand outside the marked area for teachers and students on the other 2 sides of the soccer field, i.e. equipment sides.

Author Visit

On Tuesday, 9 August, Primary students will be enjoying a visit from one of Australia’s most exciting new Children’s Authors, Tim Harris.

His first series of books, Exploding Endings, has primary-aged readers both captivated and laughing out loud. Harnessing his wacky sense of humour, the series contains short stories with BIG twists.

Book Club

Just a reminder that Book Club is now “CASHLESS”. Book Club LOOP is the online ordering system.

Go to: scholastic.com.au/LOOP and follow the instructions on the back page of the brochure the students brought home this week. LOOP closes on Friday, 12 August at 3.00 pm.

Parental Code

This Code has been developed so that parents/carers and those with parental responsibilities are aware of and meet St Peter's Anglican Primary School’s expectations with regard to their interaction with the School, its employees, other parents/carers and students. Adherence to this Code is important to promote positive and productive relationships within the School Community.

Role of the School Generally

St Peter’s Anglican Primary School is responsible for establishing and administering the policies, procedures and rules which govern the day to day operations of the school. It is important that parents/carers recognise and respect this; adhere and have their children adhere to the School's requirements, and support St Peter’s Anglican Primary School’s decisions.

Discipline

St Peter’s Anglican Primary School expects students to comply with its rules and not engage in behaviour which is harmful to others or is contrary to the ethos and philosophy of the School. Parents/carers are expected to support the School in relation to its discipline policy and not do anything which undermines its authority. It must be understood that in the case of minor disciplinary matters, St Peter’s Anglican Primary School will be the arbiter of what is a fair punishment and will not engage in debate about the appropriateness of the punishment.

In relation to more serious disciplinary matters which may result in a long suspension or expulsion, the School will inform parents/carers of the matter which will be dealt with in accordance with the School’s disciplinary policy. While parents/carers will be consulted, the final decision will be the School's.

Interaction with Staff

St Peter’s Anglican Primary School conducts regular meetings between staff and parents/carers at which the student’s progress can be discussed. There may be other times when a parent or staff member requests a meeting to discuss particular issues that may arise during the course of a student’s schooling.

If a parent wishes to meet with a staff member, they should make an appointment so that a mutually convenient time can be arranged. This can be done through the School office.

Parents/carers should never attempt to contact a staff member at their home.

For most matters related to your child’s education and pastoral care, the classroom teacher will be your first port of call. If the matter needs further attention the following lines should be followed.

Matthew 18 encourages us to approach the person that we have an issue with directly. I do encourage you to maintain this principle in having matters aired and addressed appropriately.

Team Leader- regarding class/grade specific teaching and learning or pastoral care matters.
**Director of Junior Primary** – regarding matters for Prep – Year 2.

**Director of Primary** – regarding matters for Year 3- Year 6.

**Director of Learning** – for anything related to your child’s learning that cannot be attended to be the class teacher of Grade Team Leader.

**Head of School** - For matters of a more serious nature that haven’t or can’t be resolved by other senior staff.

It is important that parents/carers show respect for staff and not publically criticise them or seek to undermine their authority. If a parent has a particular concern about a member of staff, they can raise it with the staff member concerned or with the Head of School, however, when doing so, they should observe the general rules of conduct set out in the Code.

St Peter’s Anglican Primary School has a duty of care towards all staff and for this reason any aggressive or abusive behaviour will not be tolerated.

**Grievance**

If a parent has a complaint about an issue, this should be directed in the first instance to the teacher responsible for the particular area of activity. If the grievance relates to a teacher or a teacher’s conduct, the complaint should be directed to the Head of School.

**Interactions Generally**

Communications whether verbal or in writing with other members of the school community whether teachers, administration staff, other parents/carers or students should:

- show respect, courtesy and consideration;
- not harass or bully another person; and
- not use intemperate language.

Social media should not be used to criticise or denigrate others in the school community.

**Sport**

Parents/carers are welcome to attend sporting events, but should exercise restraint when supporting school teams. In particular, they should not abuse, threaten or otherwise seek to intimidate an umpire or referee or direct abuse against a player or any School representatives.

The sports coaches of the School pick teams based on their view of the most appropriate selection at the relevant time. It is not appropriate for parents/carers to complain about the failure of their son or daughter to be picked for a particular team.
**Separated Parents**

St Peter’s Anglican Primary School is aware that some students have parents that are separated or divorced. In these cases, parents should not attempt to involve the School in any parental dispute that may arise.

St Peter’s Anglican Primary School is not able to make judgement on the merits of claims made by one parent against another and should not be asked to do so. Nor should it be asked to take any action which is designed to disadvantage one party. The School will of course, observe any orders made by a Court in relation to a student or communications with parents.

**Failure to Observe this Code**

If a parent fails to observe this Code after being warned about a breach, St Peter’s Anglican Primary School may:-

- limit access to a teacher or teachers;
- limit access to the school premises or sporting or other school events; or
- terminate the enrolment of the student.
